Will do, and for the next set of walk throughs you don't have to stay with us the entire time! We'll get you in and out as I'm sure you've got plenty to do!

We're striking out here, but also no go on the 70<sup>th</sup> floor. The noise from the people going down the slide and the fact that they can hear our meeting will be too distracting. FYI - both Martha and Carol will be at the IDA conference and will not be at this meeting, so it'll be Martha running the entire Exec. I'm leery of having a noise situation like at the BLOC, and I'd rather be safe than sorry. Can you ask Stephanie if they have another floor they can host us on?
